BLOCKADED
Every Household in Arcadia Should
Know How to Resist It

The back aches because the kidneys
are blockaded.
Help the kidneys with their work.
The back will ache no more.
Lots of proof that Doan's Kidney
Pills do this.

It's the best proof, for it comes from
Arcadia.

Miss Marion Hollister, Polk Ave.,
Arcadia, Florida, says: "My back was
weak for some time and there was also
a dull pain across my kidneys that caused
me much misery. It was often
difficult for me to assume a comfort-
able position, owing to these troubles.
Finally my husband procured a box of
Doan's Kidney Pills for me at Harry
Cross' Drug Store and I began using
them. They had the desired effect for
the contents of one box drove all the
pain and lameness from my back."

For sale by all dealers. Price 50
cents. Foster-Milburn Co., Buffalo,
New York, sole agents for the United
States.
Remember the name—Doan's—and
take no other.

The Kudzu Vine.

Mr. C. E. Pleas stepped in this morn-
ing to show us a Kudzu vine which he is
sending to the Atlanta Fair. This vine
has five branches that measure over 80
feet each in length and one measuring
87½ feet, while the total length is over
1,000 feet. This entire growth has been
made since May 1, and its dry weight is
over 8 pounds Mr. Pleas has made four
cuttings of hay this season with a total
of nearly eleven tons (10.95) dry hay
per acre, with a fair prospect of a fifth
cutting by frost. It analyzes from 14.80
to 17.60 per cent. protein, which is bet-
ter than wheat bran.

The first cutting each season is about
like velvet bean vines for coarseness,
while all the after cuttings are short and
fine. Mr. Pleas says he expects to set
the balance of his place to Kudzu in the
spring.

One acre of Kudzu, at the price of
ordinary hay, \$20.00 per ton, is worth
five times as much an acre of the best
cotton and costs less than one-fourth as
much to produce after once established.

Looks like the farmers could raise
something besides cotton now.—Chipley
Verdict.
